Subject: Building safety certificate.....regarding
Your letter reference: Dated 20/03/2025.

R/Sir,

With reference to your request the inspection visit to Sandeepani International School, Gadegaon, located at Gadegaon-Maltekadi Road, Kamtha Chawk, Gadegaon, Taluka - Nanded, District - Nanded, owned by Zhelam Sevabhavi Trust, was conducted by Dr. A. M. Bhoi and Er. C. N. Kurhe in the presence of Mr. Sunil Ramchandra Rathod (Secretary, Zhelam Sevabhavi Trust), and Mr. Nagesh Munjajirao Hingole, (School Teacher), from the aforementioned school on 23th April 2025. During the visit, a visual inspection of the building from the various sides was carried out. The structure comprises a Ground plus One storey configuration. The Ground Floor is constructed using a Reinforced Cement Concrete (RCC) frame structure, while the First Floor consists of a steel pyramid hip roof structure supported by reinforced concrete columns. As on the date of the inspection the building is safe and fit for normal use as school building. This certificate is null and void if any alteration, addition, and/or structural changes are made in the existing school building. This certificate is valid till 22nd April 2028.
Hence certified.
